Registration Form

We can only accept your registration form if you fulfil our participation criteria as follows:

- *All products must be created/made by the exhibitor/s and/or family member/s with a strong measure of artistic integrity and individuality in their work*
- *If specifically designed by the exhibitor then there must be an appreciative amount of collaboration between designer and fabricator in order to justify participation*
- *If the exhibitor has altered, adapted or assembled the products then there must be a very high 'added value' content to the finished article*
- *Priority will always be given to those exhibitors who make their own products as we are committed to ensuring the perpetuation of 'handmade' work*
- *To maintain the quality of products you may be asked to clarify these criteria*
- *Our decision with regards to acceptance is final*

Thank you for registering with Craftfolk, your details will be now added to our database.

You will be sent an email in January with an attachment containing details of all our events in 2019. It is in form of a tick list and as soon as it is completed and returned, we will send you any requested application forms.

Requesting our Booking Forms is not a commitment to participate from either party but they will give you the individual event prices together with more information on the event itself.

This form can either be posted to our address, as above, or emailed as an attachment to jane@craftfolk.com
